GENERAL TERMS AND CONDITIONS

The following Terms and Conditions apply to Enbridge Gas Distribution Inc.'s ("Enbridge") High Efficiency Boiler Offer (the "Program"). BY SIGNING THESE TERMS AND CONDITIONS BELOW, THE CUSTOMER ACKNOWLEDGES ITS ACCEPTANCE OF AND AGREEMENT TO BE BOUND BY THE GENERAL TERMS AND CONDITIONS OF THE PROGRAM.

1. In order to apply for the High Efficiency Boiler Offer, the Customer must:
 - a) Successfully install an Eligible Boiler;
 - b) Complete the application form on the reverse (the "Application") in full; and
 - c) Submit the complete Application, signed Terms and Conditions and Proof of Purchase to Enbridge.
2. The High Efficiency Boiler Offer is available to Enbridge Customers who install non atmospheric hydronic boilers used for space heating and domestic hot water with a thermal efficiency from 83% to 88% ("Eligible Boilers") between January 1, 2010 and December 31, 2010. Enbridge's High Efficiency Boiler Offer on Eligible Boilers may be withdrawn by Enbridge at any time. Complete Applications together with a valid Proof of Purchase must be received by Enbridge no later than January 20, 2011 in order to be eligible for the High Efficiency Boiler Offer.
3. The value of the High Efficiency Boiler Offer will depend on the size of the Eligible Boiler installed by the Customer. A chart on the reverse sets out the Eligible Boiler size and the corresponding maximum dollar value of the High Efficiency Boiler Offer. A maximum of two (2) High Efficiency Boiler Offers will be paid for Eligible Boilers installed for the same End Use at the same Installation Address. Further, a maximum of four (4) High Efficiency Boiler Offers will be paid for the same Installation Address.
4. Applications without a valid Proof of Purchase are not eligible for the High Efficiency Boiler Offer. A valid Proof of Purchase includes an invoice, purchase order or tender that clearly indicates the Eligible Boiler model number and/or specifications.
5. In order to receive the High Efficiency Boiler Offer, Eligible Boilers must be fully operational and equipped with a draft hood or barometric vent at the time the Application is submitted to Enbridge. Payment of the High Efficiency Boiler Offer is subject to the completion of a satisfactory site inspection of the Eligible Boiler by an authorized representative of Enbridge. At Enbridge's sole discretion, Enbridge may waive the requirement for a site inspection, however, upon request within eighteen (18) months of the date of the Application and with reasonable notice, the Customer agrees to provide authorized representatives of Enbridge with access to the Eligible Boilers and with required information or data relating to the Eligible Boilers for the purposes of the Application and these General Terms and Conditions.
6. The Customer acknowledges that Enbridge shall not be responsible for the Customer's tax consequences resulting from the payment of any part of the High Efficiency Boiler Offer and the Customer further agrees to comply with all federal, provincial and municipal laws and regulations which are applicable to the installation and implementation of the Eligible Boilers.
7. The Customer bears the entire risk of liability, loss, damages, costs and expenses which it may suffer, sustain or incur as a result of installing the Eligible Boilers or as a result of any matter described in these General Terms and Conditions. The Customer acknowledges that Enbridge does not guarantee that installation of the Eligible Boilers will result in any gas saving or qualify for the High Efficiency Boiler Offer. The Customer shall indemnify and save harmless Enbridge, its directors, officers, agents and employees against any claim or liability arising as a result of or from or based on the installation and implementation of the Eligible Boilers or the violation of any applicable laws, whether by the Customer, its officers, employees, subcontractors, representatives or agents.
8. Enbridge and the Customer acknowledge and agree that they are independent of one another, and these General Terms and Conditions do not give either of them the right to bind the other to any obligation, or to assume or to incur any obligation on behalf of the other. Nothing in these General Terms and Conditions shall be interpreted so as to make either the Customer or Enbridge a partner, joint venture, employee, agent or other representative of the other for any purpose.
9. The Application and these General Terms and Conditions shall constitute the entire agreement and understanding between the Customer and Enbridge and supersedes all previous agreements and understandings between them related to the subject matter hereof. Except as otherwise provided in the Application or these General Terms and Conditions, neither the Customer or Enbridge is relying on any representation, warranty, conditions, inducement, promise or other assurance (express or implied) which may have been made previously by the other or by anyone else concerning the subject matter hereof. These General Terms and Conditions will be binding upon and ensure to the benefit of the parties, and/or their respective successors and assigns.
