

## **MILLENNIUM MEMBER PROGRAM Year 2008-2009**

### **Introduction**

The Board of Directors of the Greater Toronto Apartment Association has established a **Millenium Member Program** for Corporate Members of the Association to obtain even greater benefits from their membership.

This program is specifically designed to heighten the profile of participating companies within the organization and provide for an early warning program for sponsorships of Association activities over the calendar year of 2008-2009. Further, Millennium Members are required to commit to a minimum of \$2,000.00 of event and program sponsorship throughout the year. Attached is a list of events and sponsorships that must be completed and faxed in to the office to qualify as a Millennium Member.

This membership is open to all members in all industry categories so long as they have been members in good standing of the association for three (3) years.

### **What You Get**

1. **First right of refusal to sponsor events.** Attached is the schedule of activities for the year 2008-2009 as well as specific sponsorship sheets for the Charitable and Annual meeting events. As a Millenium Member, you will have the first opportunity to commit to these sponsorships before it is opened up to the general membership.
2. **Building Blocks Promotion.** Your company logo will be listed in every edition of the Building Blocks magazine to show the membership you are a Millennium Member.
3. **Annual Meeting Acknowledgement.** Millennium Members are acknowledged at the Annual Meeting each November with a special gift from the association.
4. **Free acknowledgement in the Source Directory.** A full page in the Directory each February is dedicated to recognizing the Millennium Members of the association.
5. **“First Contact Program” sponsor.** Periodically throughout the year, special or unplanned events take place requiring sponsorship or assistance. As a Millennium Member, you will be contacted first for the opportunity to participate as a speaker and/or financially.
